The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding in fiscal year 2024 for the City of Aurora the Combined Storm and Sanitary Sewer Infrastructure Project. The entity to receive funding for this project is the City of Aurora located at 44 E. Downer Place, Aurora, IL 60507.

The funding will be used for the installation of storm sewers to remove curb inlets from the combined storm and sanitary sewer infrastructure which is mandated by the Environmental Protection Agency. The project is an appropriate use of taxpayer funds because this will improve water quality of the Fox River by reducing rainwater in receiving streams and rivers which results from combined sewer overflows.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster  
Member of Congress
